

ROLLINGWOOD POLICE DEPARTMENT

OFFICER COMMENDATION

Everyone likes recognition for a job well done. Rollingwood Police Department employees are no different. Each year our department receives many employee commendations from the public. However, for each one we receive, there are probably twice as many commendable acts that go unnoticed. When you receive service from our department that you feel is worthy of a commendation, we would like to hear about it. Be sure to obtain the employee's name, employee number, or badge number if possible. Include all the information you can remember, such as the date, time, location, and circumstances of the incident. The employee and the employee's supervisor will be notified of commendations and a copy of the commendation will be placed in the employee's file. Commendations, like complaints, help us gauge overall customer satisfaction with our performance. We encourage you to share your opinions regarding the Rollingwood Police Department employees and the services provided to you.
