

TREE ACKNOWLEDGEMENT STATEMENT

I _____, the property owner or authorized representative, complying with the following statements.

I certify that the facts and information set forth in this application are true and complete to the best of my knowledge. I understand that any falsification, misrepresentation or omission of fact (whether intentional or not) in this application or any other required document, as well as any misleading statement or omission, may be cause for revocation of the permit, regardless of how or when discovered. I certify that I have done my due diligence to determine that I do need to submit a Tree Removal Permit Application through MyGovernmentOnline.org, and understand that the application fee is non-refundable if in fact a permit is not required. I have marked the trees requested for removal with ribbon for identification.

I agree to comply with City of Rollingwood Code [Subdivision 2 - Residential Tree Canopy Management](#) regarding tree removal and replacement. I understand that submitting an application does not entitle me to a permit and I must have physical possession of the permit before beginning any work. Failure to obtain a permit or violating the terms of a permit may result in civil penalties up to \$2000.00 per tree per day in accordance with [City Code Section 107-379 - Violations/Penalties](#); additional fines may also apply. I agree to hold harmless the City of Rollingwood, its agents, officers, and employees for any damage or injury caused by reason of planting, placement, maintenance, or removal of trees.

If a Tree Removal Permit is granted, I agree to meet all tree planting requirements as outlined in the conditions of the permit. I understand that planting Replacement Trees is a condition of a tree removal permit. I understand that I am responsible for the successful establishing of the Replacement Trees.

The property owner or authorized representative hereby give permission to the City of Rollingwood and its agents, officers, and employees to enter the property for the purpose of tree inspection prior to permit issuance and for replanting compliance inspection after the permit is issued.

If the trunk of the protected tree(s) straddles the property line, all owners must sign the removal application. The neighboring property owner must consent to the tree(s) removal by signing below.

By signing below, I hereby acknowledge I understand and will comply with the statements above and that I am the owner of the property or an authorized representative.
