

## **SPECIAL PAVILION INSTRUCTIONS**

### **PARKING**

When renting the Rollingwood Park Pavilion, you are required to give instructions to guests attending your event that there is parking in two places for the Park Pavilion. Nearest to the park on the north side, there are eight regular parking spaces and one handicapped space. A second parking lot on Gentry and Nixon, (just south of the City Hall building) is provided for additional parking for your guests with a short walk to the Pavilion.

**PLEASE DO NOT PARK ON THE STREET WITH YELLOW CURBING OR  
IN FRONT OF RESIDENCES**

### **RESTROOMS**

The newly completed field house is at the top of the hill above the Pavilion. It has two restrooms for use while renting the Pavilion facilities. Walk up the stairs, or you can drive to the upper parking area and walk to the field house.
